

GUEST LECTURE

Department of Mathematics organised a Guest Lecture on “Applications of Group Theory” on 9-1-2020.

Resource Person:

Dr. R. Chudamani,
Asst. Professor,
P.V.P.Institute of Technology,
Vijayawada.

The Resource person explained some basics in Group Theory and gave its applications in solving puzzles like Three Cups Problem, Rubiks Cube Problem, Symmetries of Rectangle and Square.

Nearly 120 students of Mathematics were benefitted by this programme.

Resource Person addressing the students
