

THREE DAY WORKSHOP ON INTERNET OF THINGS[RASPBERRY-PI]

DATE : 30th June, 2019
RESOURCE PERSON : Mr. M. Sudhakar Reddy, Embedded R&D Engineer,
Hyper Techno Solutions, Vijayawada.

DESCRIPTION OF THE PROGRAMME:

The Resource Person explained IoT technology the 3-day interactive session where the students actively participated. He mainly focused on a system which was interrelated with Computing devices, Mechanical and Digital Machines, Objects that are provided with Unique Identifiers (UIDs) and the ability to transfer data over a Network without requiring Human-to-Human or Human-to-Computer interaction.

He divided the students into batches and each batch was given different tasks to work on to gain hands-on-experience. He also provided the students with tool kits for the assigned tasks like Robot, Home Automation, Waste bin etc.

PRACTICAL SESSION
