

## VISIT TO FISH HATCHERIES AND FISH FARMS

**Date** : 08-02-2016

**Class** : III BZC Students

**Places of Visit:** AP Fisheries & Central Institute of Freshwater Aquaculture (CIFA),  
Penamaluru,  
Krishna Dist.

**Brief Report** : Students gained practical knowledge in the culture techniques of Indian major carps and *Pangassius* (Cat fish) species. They interacted with the scholars and learnt about the operation of Chinese (circular) Hatchery. They also observed the netting operation in the culture pond and pond management.

### STUDENTS OBSERVING PLANKTON AND CHINESE HATCHERY

### AT THE POND
