

Guest lecture on BHARAT KA VIKAS ME YOGDAAN

On 14th September 2016.

RESOURCE PERSON:

Dr.Ch.Padmavathi, Sr.Lecturer, Hindi ,B.Ed College, Vijayawada-4.

DESCRIPTION OF THE PROGRAMME:

The resource person expressed that our India is a developing country which is trying to be a more developed country like America, China and Russia. Our GDP is also increasing day by day. We have strong and energetic youth. They are working in all parts of the world. Indians are very clever and intelligent people. So our country is developing in all fields. Indians are very good at using technology. Our Indian software employers are in good places. She concluded by saying that in near future India will be on the top place in the world.
