

FUTURE PROSPECTS IN AQUACULTURE

Date : 11-03-2019

Class : III BZC Aquaculture cluster students

Resource Person: Dr.A.K.Krishna Reddy

Emeritus Scientist

Central Institute of Fisheries Education (CIFE)

Mumbai

Brief Report : Dr.Krishna Reddy explained that India ranked in second place after China in Fish cultivation. He also motivated the students with information on job opportunities in the sector such as Lab Technician, Consultant, Lab Assistant etc. He also encouraged the students that even ornamental fish farming is profitable with low capital.
