

AWARENESS PROGRAMME ON BANKING OPERATIONS TO ILLITERATES ON 28-11-2017

BRIEF REPORT:

Technology is the Integral part of Banking Operations. Single window system came into existence in every bank. Without Knowledge no customer can operate bank transactions. In this connection the students with the help of staff took an initiative to educate the illiterates who are visiting the banks on their banking operations such as, how to open bank accounts, Fixed Deposits, current accounts and filling of Withdrawals etc.,
