

Book Review on Women Authors

Book Review competition is conducted on 23-04-2021 on the occasion of 'World Book Day'.

Personality Development Club in association with the Department of Library conducted Book Review competition. Overall 10 Students participated in this review. They selected different books written by women authors and presented the content of the book very effectively in front of the peers and inspired the students.

The book review competition is conducted to inculcate reading habits, develop communication skills and also to cultivate flavor for literature and also to improve self confidence among the students. This book review will encourage the students to use the library and increase their knowledge.

Dr. S.Kalpana, HOD, Chemistry and Smt M. Geetha Madhuri, Department of Physics are the judges for this review. They adjudged the following as the winners of 10 participants.

CH. Sri Mahitha – I MSDS won first prize, V.Indumathi – I B.COMC won second prize and K.Meghana I BZC won third prize.
