

EYE DONATION AWARENESS PROGRAM

Preamble:

Arranged a webinar on Awareness Programme on **EYE DONATION** on
28-11-2021

Participants:

Staff and Students of S.D.M. Siddhartha Mahila Kalasala, Vijayawada.

Resource Person:

Miss. Drishti a social initiative by Tech fest, IIT Bombay.

Description of the Programme:

To raise awareness about Eye donation on 28-11-2021. The objective of this initiative is to reduce huge shortage of eye donors in India which aims to clear the various misconceptions and myths surrounding eye donation, educate people about the social benefits associated with each pair of donated eyes and finally given an opportunity to audience to become future eye donors. On this occasion students and staff of Siddhartha Mahila Kalasala have taken the opportunity to become future eye donors by filling the pledge form
