Launching of Faculty Forum Programme 2024-25 Faculty Forums to Enhance Professionalism

Date: 09th July 2024

Description of the Programme:

Faculty Forums for the academic year 2024-25 commenced on 9th July 2024 with newly inducted Special Officer for Research and Development, Dr. R. Madhavi.

Her session on 'Striving towards competency building' addressed the vital need for faculty to become lifelong learners with a thrust on research and student- centric research methodologies. She emphasized the need to incorporate **outcome-based** educational practices and need for **new technology assisted** teaching methods to inculcate zeal for innovation and self-reliance in students. Additionally, the importance of inculcating a Start-up ecosystem on campus was discussed in her presentation. The need to maintain high quality standards to sustain levels of excellence were put across to the eager audience of around 60 faculty members.

Dr. R. Madhavi inducted as a Special Officer (S. O) and AAO Sri. L. K. Mohan Rao garu and Principal Dr. S. Kalpana welcoming Dr. R. Madhavi.
