#### **Description of the Programme:**

With the pandemic in our lives it has become a difficult task to lead a normal life. Now-a-days there are many questions lingering in our mind mainly regarding the COVID-19 vaccination. In order to clear such doubts in students and staff a webinar was conducted through Google meet by **Student Union Committee and Department of Telugu**, for bringing awareness on COVID-19 vaccination. All the doubts asked by the students and faculty were cleared by **Dr. K. Niharika (MBBS)** currently pursuing her M.D. in PSIMS (Pinnamaneni Siddhartha Institute of Medical Sciences), Vijayawada. Many misconceptions regarding COVID-19 vaccination were also cleared by her. She also gave some tips to be followed by the people when they go outside, so that they will not get affected by Corona virus. Director Dr.T.Vijaya Lakshmi, Principal Dr.K.Sudha Rani, Student Union Committee Convenor & H.o.D., Department of Telugu Dr. A Nagajyothi, staff and students participated and got enlightened on the various facts regarding the pandemic.
