

AWARENESS ON BREAST CANCER

Nature of Programme	:	Guest Lecture
Title	:	Awareness on Breast Cancer (In the memory of Late Smt. Kamala Bhasin Feminist, Activist, Poet, Author, Social Scientist (FAO, UN))
Resource Person	:	Dr. Prashant Yarlagadda, Radiation Oncologist, MBBS, MS (Cancer Biology), DNB (Radiation Oncology) American Oncology Institute, Vijayawada
Number of Participants	:	III FMB & FMC (94) Students & 3 Staff members
Date	:	1/10/2021

Brief Report:

The Resource Person expressed that this programme was an effort to raise awareness and reduce the stigma of breast cancer through education on symptoms and treatment. He also insisted that greater knowledge will lead to earlier detection of breast cancer, which is associated with higher long-term survival rates, and enlightened the students about self-examination of breast for early detection.
