

DISTRIBUTION OF SWEETS TO PHYSICALLY CHALLENGED CHILDREN AT BISHOP AZARIAH ORPHAN HOME ON 12-02-2018

BRIEF REPORT:

There is a saying that “Keep your face always towards the sunshine and shadows will fall behind you”. Disability is only to the body but not to the mind. So students and staff of department of Commerce visited and distributed Sweets to Physically challenged children and spent time by playing games, telling stories and made the children happy.
