STUDENT INDUCTION PROGRAMME

STUDENT SEMINAR

TOPIC: GLOBAL POSITIONING SYSTEM

Department of Physics organized a Student Seminar on “**GLOBAL POSITIONING SYSTEM**” under Student Induction Programme by R.Siva Sai Sarath Chandrika of I PMCS on 29/3/2021.

In this seminar she explained the system of satellites designed to help navigate on the earth in the air and on water. She also explained the uses of GPS namely information regarding location, speed tracking, direction and prediction of time to the destination.

STUDENT INDUCTION PROGRAMME

TOPIC: ROLE OF PROJECT WORK IN APPLIED SCIENCES

Department of Physics has organized Student Induction Programme for I B.Sc. students on **“Role of Project Work in Applied Sciences”** on 01/04/2021 by B.Anitha, Physics Lecturer, P.B.Siddhartha College of Arts & Science, Vijayawada.

In this programme she explained about the importance of Internship projects, Field projects, Research projects which help the students to enhance their Practical knowledge & Research skills. She also explained the role of Project works in their higher education, employment opportunities and also in their career.

STUDENT INDUCTION PROGRAMME

WORK SHOP ON VIRTUAL LABS

Department of Physics has organized a workshop on “**VIRTUAL LABS**” under Student Induction Programme for I B.Sc. students on 06/04/2021 by Dr.T.Srinivasa Krishna, Physics Lecturer, P.B.Siddhartha College of Arts & Science, Vijayawada.

In this programme he demonstrated Torsional Pendulum, Young's Modulus uniform & Non uniform bending, surface Tension experiments through Virtual labs which help the students to get practical knowledge and hands on experience during this COvid-19 pandemic situation.
