

## APPLICATIONS OF STATISTICS THROUGH SPSS

### Preamble:

Arranged an Awareness Programme (Student Induction Programme) on Applications of Statistics through SPSS on 30-03-2021.

### Participants:

35 students of I B.Sc. MSDS

### Resource Person:

Miss. P. Swetha, III B.Sc. MSCS 'B' SDMSM Kalasala, Vijayawada.

### Description of the Programme:

The Department organized an Awareness Programme on “Applications of Statistics through SPSS” for the first year MSDS students. Students were introduced to the software “Statistical Package for Social Sciences” which helps them for analysing the data. Various aspects of the software like Data, types of data, presenting data in the SPSS software, pictorial representation of data, various statistical tools and their applications for real time data etc., were explained by the senior student, inspiring and interacting with the juniors.

Miss. P. Swetha creating Awareness to the students of I MSDS class.
