

WORKSHOP ON MOLECULAR BIOLOGY TECHNIQUES

Nature of Programme	: Workshop
Title	: “Molecular Biology Techniques”
Key Note Speaker	: Dr. K. Kasthuri, Assistant Professor, Dept. of Biotechnology, Acharaya Nagarjuna University, Guntur
Resource person	: Dr.M.GURAVIAH HOD, Department of Microbiology, JKC College, Guntur
Number of Students	: II FMB &FMC- 75 students
Date	: 5/7/24 to 6/7/24

Brief Report:

Department of Microbiology organized a two day Workshop on “Molecular biology techniques” from **5/7/24 to 6/7/24** . In this Workshop the key note speaker Dr. K. Kasthuri explained about the importance of Molecular Biology techniques and also enlightened the students on Insilco PCR and its importance. The resource person Dr. M.Guruvaiha gave hands on training in

- 1.DNA isolation through agarose gel electrophoresis
- 2.SDS PAGE and
- 3.PCR
