

WORLD POPULATION DAY

It is the regular practice of the Department to conduct in-house competitions to the students as a mark of observing 'World Population Day' on 11th July every year.

On this occasion the Department organises competition in the events like Essay Writing, Elocution, Poster Presentation, Power Point Presentation, Group Discussion etc., and conduct survey to encourage students to express their ideas and views in understanding the problems faced by the society and nation at large due to population explosion and finding solutions for its control.
